Yeah. It's not like I wanted to go, don't worry.

Wanna eat porridge?

...Don't wanna.

I'll eat it then.

...I hope it's piping hot and you scald your tongue.

Great. You should be able to eat if you're energetic enough to say spiteful stuff.

You still have a fever.

Wait, when was the last time you caught a cold?

You were so energetic yesterday that you might catch a cold.

And you never get sick.

We're going!! To comico land tomorrow, Rom!! Woohoo!!

Excited for you.

CREEPED OUT

The Ichinose family could not believe what they heard this morning.

Please apologise immediately to the Ichinose family.

That's how rare it is for you to catch a cold.

On top of being a gorilla, isn't that great that you're not an idiot!

SMACK

O-okay. You're super lively now, I see.

Be obedient and eat that porridge I'll go get some ice

MONOPOLIZING HER... MIGHT NOT BE THAT BAD.

She's pretty wonderful.

NOT THAT BAD.

MAKE SURE YOU NOTICE WHEN YOU WAKE UP, GORILLA.

I am sure you'll be surprised.
